RECESSIONAL *Bernadette Farrell*

Longing for light, we wait in darkness. Longing for truth,
we turn to you. Make us your own, your holy people,
Light for the world to see.

***Christ, be our light! Shine in our hearts. Shine through the
darkness. Christ, be our light! Shine in your Church gathered
today.***

Longing for peace, our world is troubled. Longing for hope, many
despair. Your word alone has power to save us make us your
living voice.

Longing for food, many are hungry. Longing for water, many still
thirst. Make us your bread, broken for others, shared until all are
fed.
